

BERTHOLD DETECTION SYSTEMS AND TITERTEK INSTRUMENTS JOIN FORCES.

We are pleased to announce that Titertek Instruments, Incorporated of Huntsville, Alabama became an affiliate of Berthold Detection Systems, GmbH of Pforzheim, Germany on July 16, 2008.

This strategic move will greatly benefit both companies. Titertek Instruments has gained the marketing expertise and strong financial backing of Berthold Detection Systems, while Berthold Detection Systems will benefit from the opportunity to partner with Titertek Instruments for U.S. manufacturing.

Berthold Detection Systems is the worldwide leader in sales and support of single tube and microplate luminometers. Titertek Instruments specializes in high throughput liquid handling technology.

This alliance of technologies will result in an increased product portfolio for both companies as well as the promise of new and innovative products in the future.
